

Please join us

for our 11th annual Golf Outing on Friday, June 18, 2010 at Bliss Creek Golf Course.

The Batavia Foundation has been established for a very important reason - to enhance the educational programs in all the schools within School District 101. By attracting private funds to supplement the regular educational revenues, the Foundation provides support for the development of enrichment programs and services, which make the critical difference between a very good education and an excellent education.

The Batavia Foundation's annual golf outing is one of our biggest fundraisers, so please consider giving us your support and put some **FUN** into the fundraising for our children.

We are inviting you, your friends and business associates to join us for an afternoon of golf and good company. Your participation as a golfer is important to the success of this outing and we look forward to your joining us. Also consider a partnership with us by sponsoring this important event. Please take a moment to complete and return your form today!!

PS -Please pass this information to a friend or business associate. Thank you!
